

# Gary Kendall

## dusty & pearl

### **Quotes**

*"All the musicians do their bit for a bass man who steps out with a fine CD"*

**Maple Blues Magazine**

*"A favourable comment on Kendall's own reputation as much as it is on the backer's pooled musicianship"*

**Globe & Mail**

*"Dusty & Pearl is the result of 30 years waiting for your time to come. Better late than never"*

**Livin' Blues**

*"Dusty & Pearl will probably earn Gary Kendall another Maple Blues Award and it will be well deserved"*

**Blues Freepress**

*"Offering up 13 tracks of organic Blues with the help of, ahem, 33 of his best friends - NNNN"*

**Now Magazine**

*"Performances are uniformly outstanding and enthusiastic-and the material-a mix of original, co-writes and lesser known classics-stretches well beyond roadhouse blues and boogie"*

**The Toronto Star**

*"This is an album that's all about heart and there's no denying the emotion that openly spills over both Dusty & Pearl"*

**Exclaim!**
